*Si desea recibir esta notificación en español, llámenos o visite nuestra página web.*

A settlement has been reached in a class action lawsuit against Gastroenterology Consultants, P.A. ("GCPA") relating to a cyberattack against GCPA's computer systems that occurred on or about January 10, 2021 (the "Data Incident"). The computer systems possibly affected by the Data Incident potentially contained personal and protected health information of certain individuals. The plaintiff claims that GCPA was responsible for the Data Incident and asserts claims such as negligence, negligence *per se*, breach of implied contract, breach of fiduciary duty, intrusion upon seclusion/invasion of privacy, unjust enrichment, and violation of the Texas Deceptive Trade Practices and Consumer Protection Act. GCPA denies all of the claims.

**Who is Included?** GCPA's records show you received a notification from GCPA regarding the Data Incident, and, therefore, you are included in this Settlement as a "Settlement Class member."
